RE: Letter of recommendation RE: work completed on our home

Dear Mike ;

My wife and I couldn't be more pleased with the work you completed at our house. The quality of the workmanship was outstanding and there was great attention to

detail.

Your ideas as to how to rebuild our deck and front porch were very creative . The work done by your company completely transformed the look of our house for the

better.

The job was professionally completed , well managed and on budget.

I would be happy to recommend your company .

Sincerely

Charlie Howell
