Dear Mike,

We love our "new home!" Thanks to you and your wonderful and courteous crew, we are overjoyed to pull into our driveway and see the marvelous transformation that took place this past summer. Len and I really appreciate the prompt and comprehensive job you and your crew performed for us, and the attention to detail that was always present.

The workmanship on our new roof, and the preparation of our colonial home for the vinyl siding was awe-inspiring! With meticulous care and professionalism, our old roof was removed and the new one installed. Our old cedar shakes were removed also, with utmost care, and house wrap and insulation boards put in place. The crowning glory was the installation of the siding, and the "cream on the cake" was the installation of the contrasting shutters, which we thank you, Mike, for suggesting in the first place! My husband and I are so very grateful to you and your team for giving us our "dream" home!

We'd also like very much to thank you for the meticulous clean-up that was done daily and at the end of the job, for the washing of the siding and trim and the windows and skylights, and for all the extra jobs you did, willingly, to complete this huge job. You did everything in good faith and made these clients very happy, and more than willing to recommend you to anyone that asks us. It was a huge pleasure dealing with you throughout this job. Your integrity, sincerity, knowledge, skill, and professionalism are all much appreciated. Thank you so much for the fantastic job you did for us.

Sincerely yours,

Len and Linda Moritz
